

This week in 4th Grade

April 8, 2022

Upcoming

- April 11 - 15 Spring Break
- April 27 Field Trip to Lincoln
- April 28 Shrek the Musical at GHS
- April 29 School Spirit Day

Academics

Math - This week we wrapped up Topic 13, and did some review work of Topics 1 - 12.

Reading - With NSCAS completed, we went back to Module 8 to take our Vocabulary and Comprehension tests. We also started reading Because of Winn Dixie and will continue that during Dragon Club after Spring Break.

Writing - Research is complete! Students did an amazing job with all the steps that went into their Research projects. If those haven't made it home already, look for them after Spring Break!

Science - This week we looked at Lake Erie and how human activities caused a lot of damage in the 1960s, and then we looked at some of the actions that were taken to solve those issues.

NE History - We finished up Ch. 7 and started Ch. 8. We were able to take a virtual tour of the State Capitol so we are ready for our field trip to Lincoln at the end of April!

Thank you!

I cannot thank you enough for entrusting me with your child's education this year. Everyone has learned and grown so much and I couldn't be more proud! It was a joy to get to know them and while it's hard to pass these students off, I know Ms. Hermann will do a wonderful job. I hope you all enjoy your Spring Break and the remainder of the school year!

Module 9 week 2

Pattern: Final Schwa + /r/ Sound

Students must learn spelling patterns of multisyllabic words with final schwa +/r/ sound. A schwa makes the /ü/ or /i/ sound rather than the given vowel sound.

The quiz at the end of the week will include some, but not all, of the words below or words that follow the same pattern.

1. enter

2. banner

3. sugar

4. shower

5. motor
